Dear Livestock Exhibitor and Parents,

Attached is the 2020 MCFLA Livestock Rule Book. Due to the importance of these rules, we encourage each parent and exhibitor to take the time and read over all the information throughout the book, especially the areas that pertain to your project.

The Livestock Committee and Matagorda County Fair Board of Directors has made several changes to the rules, reimplements the Two-Hour Clean-up Rule, and implemented an “Ethics Policy” for all exhibitors to abide by.

Each exhibitor and a parent (if under the age of 18) will be required to attend one of the Livestock Show and Auction Etiquette Training classes.

We ask that you take the time to carefully read over all the rule changes and read over the rules, guidelines, and important dates that directly relate to your species. Please don't hesitate to ask your 4-H Leader, FFA Teacher or any Matagorda County Fair Board of Director, Livestock Committee Member or the Fair Office any question that you may have. This will avoid any confusion or misunderstandings throughout the upcoming 2020 Fair year.

If you have any questions about the rule book, please feel free to email The Fair Office and Board @ mcfa@matagordacountyfair.com. We will be happy to answer any questions you may have.

We wish you the best of luck in your project.

Sincerely,

*Dustin O'Connell – Livestock Chairman
MCFLA – Livestock Committee and Board of Directors*

Dear Exhibitor,

We are implementing a two-hour cleanup requirement for all Junior Livestock Exhibitors that make the Junior Livestock Auction. Exhibitors will be required to be present and complete in the mandatory Sunday cleanup following the Junior Livestock Auction.

Sunday cleanup is mandatory from 8:00 a.m. to 10:00 a.m. Each exhibitor that makes the Junior Livestock auction must report to the Fair Grounds at 7:00 a.m. to remove their project and clean up their area. Afterwards, each exhibitor must report to the arena and sign in for the two hour clean up. Upon completion, exhibitor must sign out to be credited their two hours.

We will be offering pre-Sunday cleanup options for those who wish to complete their two hours prior to the Sunday following the Junior Livestock Auction. From now to the show, you have the option of donating two hours to the Fair prior to the mandatory Sunday clean up.

You will still have to show up at 7:00 a.m. on Sunday to remove your project and clean your area, upon completion you would be free to go. You will not be required to stay for the mandatory cleanup from 8:00AM-10:00AM.

Pre-cleanup may include setting up livestock pens and preparing building for fair events. There are several things you must know if you are going to take advantage of the early cleanup option. First, you will be donating two hours prior to the Fair. This does not mean that you will make the sale. You are taking a chance of donating the hours and being sifted by the judge. The early cleanup hours can be used towards community service hours in which some clubs require you to have.

Certain rules apply:

You must get approval from the Fair Manager to eligible for the two hours. Fair Manager will assign you a time and date for your early cleanup option. You will have to sign in and out with whom you are assigned. Failure to sign in and out will result in no credit hours. Failure to show will result in a no show and you may not be given the option of rescheduling.

Areas in which you may be assigned are the office, store room, cleaning up an area, helping set up the Home Economics area, helping set up or tear down for Academic Rodeo, setting up livestock pens or tearing down livestock pens, arena signs and banners, or you may be assigned to help with various MCFLA projects or events. You may also be assigned a job during the Fair.

If you are in the seventh grade or younger, your parent may have to join you to help in some of the pre cleanup options. This option is limited to a certain amount of jobs. If the assignments are filled, then you would not have the advance cleanup option. You may call the Fair Manager and discuss the options. Again, this is optional.

The mandatory Sunday morning clean up from 8:00 a.m. to 10:00 a.m. will still be in effect for those who make the sale and cannot take part in this option. Parents: please note, some jobs are not safe for the younger exhibitors, grades 3rd through 7th and may not be an option unless accompanied by you or a responsible adult.

Sincerely,
Dustin O'Connell – Livestock Chairman
MCFLA – Livestock Committee and Board of Directors
